Wendy R Oliver, Clerk  
U.S. District Court  
W.D. OF TN, MemphisTo the Honorable Judge Thomas Parker,  
Referencing SB003:

I know you know this is a bottom line issue. Kids have no place being put in a position of watching "drag queens" that are actually doods. Our world has lost so much moral fiber. If you are up above & want to witness free speech perversion, do so at your own peril. The devil is alive & working hard for our children. Leave the young kids alone & God sees all & God has signed SB003. Drag doods signed to fight, OK, that's there fight. You are an earthly judge but God knows your heart, HE is the ultimate Judge. Simply leave our young hearts alone.

Respectfully,

Dave Meyer
